Dear Sir:

Applicant acknowledges the Notice of Allowance mailed on April 4, 2011 in the present application by the Examiner with appreciation. Applicant notes that the reasons for allowance set forth in the Notice of Allowance are not the only reasons that the claims are allowable. As the Examiner's reasons for allowance are not exhaustive, such reasons for allowance do not establish an estoppel against Applicant with regard to the scope of any claim in the present application or any related applications, including without limitation any continuation applications claiming priority to the present application.

Respectfully submitted,
